## Interior spraying set PROJECT 27 | ref.EC3001

The PROJECT 27 set is designed for touching up of paste, fibrous and decorative products...

It is composed of a EUROPRO 27 single-phase compressor and an AC-65-G gun with 5 L bowl.

### COMPRESSOR

Rotation speed	2850 RPM
Flow-rate of air absorbed	284 L/min (17 m <sup>3</sup> /h)
Quantity of oil (crankcase)	0,35 L
Oil consumption	0,5 g/h
Motor power	2,2 kW
Electrical supply	230 V
Frequency	50 Hz
Current	10 A
Thermal protection	yes
Safety valve	yes
Tank capacity	2 L
Maximum pressure	10 bar
Air coupling	quick-connect
Dimensions (L x w x h)	58 x 34 x 55 cm
Weight	24 kg
Noise level	92 Lwa

### SPRAY-GUN

Nylon upper bowl	5 L
Precision parts	brass
Product flow-rate adjustment	yes
Air pressure adjustment	yes
Air consumption at 4 bars	200 L/min
Operating pressure	2 to 5 bar
Weight	1 kg

### Delivered with

- an EUROPRO 27 compressor
- an AC-65-G gun with 4 nozzles Ø 3, 4, 6 and 8
- an air hose Ø 6mm x 10m with quick couplings
- a special ceiling elbow
